True / False (10 marks)

Answer True or False

6. True or False: Marketing is a philosophy that emphasizes customer value and satisfaction as the core of business strategy.
7. True or False: Examining public records is a common activity involved in secondary research.
8. True or False: The optimal span of control varies based on organizational structure and is not fixed at any specific number.
9. True or False: Replacing supply chains with supply loops enhances the importance of product recapture and redesigning firm activities that produce waste.
10. True or False: Steyn (2003) argued that strategy is mainly focused on operational efficiency rather than competitive advantage.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss how buycotts differ from boycotts in their approach to influencing corporate behaviour, and analyze the role of digital technology in enhancing their effectiveness and impact on sales.
12. Discuss the role of muckraking journalism in shaping public relations practices during the Seedbed Era (1900-1917) and its impact on business communication strategies.
