12. **Answer:** A defendant wanted to receive the proceeds from her insurance policy on her home. After a careful examination of her policy, she decided that the best way for her to collect would be to stage a cooking accident in her own home and have the structure bum down. She decided that bacon would be the best way to do it because all of the extra grease in the pan could easily catch on fire. After cooking the bacon, the defendant left the flame on and left her home. Unbeknownst to the defendant, she left the window open and a breeze blew out the pilot. When the defendant returned home, she found that there was no fire. She was arrested and charged with attempted arson.. Explain why this is the correct answer and provide supporting evidence. Reference key facts or concepts that support this choice.
