True / False (10 marks)

Answer True or False

6. True or False: The principle that punishment should fit the crime is inconsistent with consequentialist justifications of punishment.
7. True or False: All types of human rights are indivisible, interrelated, and interdependent, as stated in the UN Vienna Declaration of 1993.
8. True or False: Normative legal theory is solely concerned with the strict application of laws without regard to moral implications.
9. True or False: Radical feminists criticize liberal feminists for promoting the idea that achieving equality means making women similar to men.
10. True or False: Many Critical Race Theorists view concepts like 'justice' as irrelevant to contemporary social issues faced by people of colour.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the implications of the Kadi judgment on the incorporation of UN Security Council resolutions, particularly in relation to human rights standards.
12. Discuss the circumstances under which armed violence by non-State actors can be considered an armed attack under Article 51 of the UN Charter, referencing the Caroline case as a precedent.
