True or False: Although the Soviet response to such an act would likely not involve force, intelligence warned "the American occupation would need to last a different answer as the West developed alternative energy sources, and would result in the 'total alienation' of the Arabs and much of the rest of the Third World.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Read the following passage and answer the question: Although the Palaeologi emperors recaptured Constantinople from the Western Europeans in 1261, they were never able to regain control of much of the former imperial lands. They usually controlled only a small section of the Balkan Peninsula near Constantinople, the city itself, and some coastal lands on the Black Sea and around the Aegean Sea. The former Byzantine lands in the Balkans were divided between the new Kingdom of Serbia, the Second Bulgarian Empire and the city-state of Venice. The power of the Byzantine emperors was threatened by a new Turkish tribe, the Ottomans, who established themselves in Anatolia in the 13 th century and steadily expanded throughout the 14 th century. The Ottomans expanded into Europe, reducing Bulgaria to a vassal state by 1366 and taking over Serbia aft... Question: Along with the Second Bulgarian Empire and the Kingdom of Serbia, what polity controlled the former Byzantine Balkan lands?
12. Read the following passage and answer the question: Ecuador was the site of many indigenous cultures, and civilizations of different proportions. An early sedentary culture, known as the Valdivia culture, developed in the coastal region, while the Caras and the Quitus unified to form an elaborate civilization that ended at the birth of the Capital Quito. The Cañaris near Cuenca were the most advanced, and most feared by the Inca, due to their fierce resistance to the Incan expansion. Their architecture

remains were later destroyed by Spaniards and the Incas. Question: Where did the Valdivia culture develop?
