10. True or False: Steven Barkan writes that if defendants plead not guilty, "they must decide whether their primary goal will be to win an acquittal and avoid imprisonment or a fine, or to use the proceedings as a forum to inform the jury and the public of the political circumstances surrounding the case and their reasons for breaking the law via civil disobedience.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Read the following passage and answer the question: Born in Bay City, Michigan, Madonna moved to New York City in 1977 to pursue a career in modern dance. After performing in the music groups Breakfast Club and Emmy, she signed with Sire Records (an auxiliary label of Warner Bros. Records) in 1982 and released her self-titled debut album the following year. She followed it with a series of commercially and critically successful albums, including the Grammy Award winners *Ray of Light* (1998) and *Confessions on a Dance Floor* (2005). Throughout her career, Madonna has written and produced most of her songs, with many of them reaching number one on the record charts, including "Like a Virgin", "Into the Groove", "Papa Don't Preach", "Like a Prayer", "Vogue", "Frozen", "Music", "Hung Up", and "4 Minutes". Question: In which year did Madonna move to New York City?

12. Read the following passage and answer the question: Writings in Estonian became significant only in the 19 th century with the spread of the ideas of the Age of Enlightenment, during the Estophile Enlightenment Period (1750-1840). Although Baltic Germans at large regarded the future of Estonians as being a fusion with themselves, the Estophile educated class admired the ancient culture of the Estonians and their era of freedom before the conquests by Danes and Germans in the 13 th century. Question: Who thought their future would be fused with Estonians?
