 - (a) vice is in our power, but virtue is not.
 - (b) virtue is in our power, and so is vice.
 - (c) vice is in our power, and so is virtue.
 - (d) both virtue and vice are not in our power.
 - (e) virtue is in our power, but vice is not.

True / False (10 marks)

Answer True or False

6. True or False: Van den Haag argues that the death penalty does not allow us to ascertain the moral degradation of the murderer receiving it.
7. True or False: SCNT refers to somatic cellular nuclear transmission, a method not recognized in cloning practices.
8. True or False: Lukianoff and Haidt argue that trigger warnings reflect a form of pathological thinking characterized by blaming others for emotional distress.
9. True or False: Nussbaum argues that the specification of particular virtues might sometimes result in a disjunction among differing perspectives.
10. True or False: Ross argues that utilitarianism fails to account for the significance of moral intentions in ethical decision-making.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss Velleman's concerns regarding euthanasia and analyze how he believes it may burden patients with the obligation to justify their continued existence.
12. Discuss the straw person fallacy, illustrating how it misrepresents an opponent's argument and the implications this has for philosophical discourse and critical reasoning.
