True / False (10 marks)

Answer True or False

6. True or False: Nussbaum claims that inhabitants of different conceptual schemes often view their cross-cultural interactions in a utilitarian way.
7. True or False: Lukianoff and Haidt assert that trigger warnings can promote a mindset of blaming rather than personal accountability.
8. True or False: An appeal to anonymous authority occurs when a claim is supported solely by citing unidentified experts.
9. True or False: Greek philosophers made a significant shift away from anthropomorphic views of the divine in the late Sixth Century BCE.
10. True or False: According to Singer, the principle of equality demands differential indifference towards the interests of all beings.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the concept of "gradual enlightenment" as promoted by Soto Zen. Analyze its significance in the broader context of Zen philosophy and its implications for personal development.
12. Discuss the logical relationship expressed in the statement: "Either England's importing beef is a sufficient condition for France's subsidizing agriculture, or China doesn't promote human rights when and only when South Africa supplies diamonds." How can this be symbolized in propositional logic?
