True / False (10 marks)

Answer True or False

6. True or False: International institutions primarily focus on regulating trade and economic growth without addressing security-related issues.
7. True or False: The Roosevelt Doctrine emphasizes that European intervention in Latin America is acceptable under certain circumstances.
8. True or False: Realists argue that the international system is characterized by anarchy, lacking a central authority to enforce rules.
9. True or False: George H.W. Bush allowed Saddam Hussein to remain in power due to a limited UN mandate and concerns over a protracted conflict.
10. True or False: Countries protect their firms mainly due to irrational decisions made by political leaders without economic justification.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the relationship between international development and state security, analyzing how threats to a state can impact its political and economic power and overall development.
12. Discuss the organizational changes recommended by the 9/11 Commission for the U.S. intelligence community, focusing on the establishment of the National Intelligence Director. Analyze its potential impact on national security.
