True / False (10 marks)

Answer True or False

6. True or False: Weber argued that theorists interpret the world through the lens of their own values, making knowledge inherently value-relevant.
7. True or False: The human relations approach emphasizes the significance of teamwork, communication, and employee satisfaction in organizational success.
8. True or False: The term 'culture industry' refers to the commercialization of cultural products for profit, as articulated by the Frankfurt School.
9. True or False: Many people are cohabiting in long-term relationships, which contributes to the perceived decline in traditional marriage rates.
10. True or False: Patterns of drug use in Britain indicate that it has increased and is no longer limited to a hedonistic youth subculture.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the process of socialization and analyze its significance in shaping individual identity and facilitating membership within society.
12. Discuss Townsend's (1979) indicators of relative deprivation and critically analyze which behaviors, such as media consumption, may not align with these indicators.
