True / False (10 marks)

Answer True or False

6. True or False: Goldthorpe defined the 'service class' as young individuals employed in domestic service during the nineteenth century.
7. True or False: Traditional working class identity was primarily based on the economic aspirations to ascend into the middle class.
8. True or False: Policymakers asserted that former slaves would primarily receive compensation for their years of forced labor in the cities.
9. True or False: The trend of decarceration emphasizes community alternatives to imprisonment and institutional care for offenders.
10. True or False: Westernization theory asserts that all societies will inevitably adopt Western cultural practices as part of modernization.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the features of globalization and critically analyze how the concept of the extended power of nation-states contrasts with these features in contemporary society.
12. Discuss Blauner's (1964) analysis of alienation in the workplace, focusing on car manufacturing in assembly plants. What factors contribute to this alienation, and what implications does it have for employees?
