 - (c) identifying any problems with the question wording and routing
 - (d) deciding which respondents to leave out of the final sample

True / False (10 marks)

Answer True or False

6. True or False: Policymakers argued that former slaves would primarily benefit from financial compensation for their past hardships.
7. True or False: The feminist standpoint often overlooks the diversity and differences in women's experiences across various contexts.
8. True or False: Weber argued that the spirit of capitalism originated from Calvinists who practiced asceticism as a sign of their salvation.
9. True or False: In the nineteenth century, homosexuality was often viewed as a subordinate form of masculinity that challenged compulsory heterosexuality.
10. True or False: Bourdieu argued that cultural capital plays a key role in the reproduction of social class structures.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the key principles of modernization theory in sociology, analyzing how it explains the transformation of societies from traditional to industrial forms of organization.
12. Discuss Marx's assertion that religion would cease to exist following a socialist revolution. Analyze the relationship between capitalism, ideology, and the role of religion in society.
