 - (c) researchers are not allowed access to official statistics
 - (d) there is no valid or reliable way of researching such a sensitive topic

True / False (10 marks)

Answer True or False

6. True or False: Soap operas represent images of women as both domesticated and independent, highlighting diverse female experiences.
7. True or False: A moral panic is triggered when audiences successfully challenge and dismantle ethnic stereotypes in media narratives.
8. True or False: Wallerstein's concept of a 'world system' refers to a unit with a division of labour that spans various ethnic and cultural groups.
9. True or False: Sociology primarily relies on individual researchers' personal experiences to form its conclusions about society.
10. True or False: Social norms are creative activities such as gardening, cookery, and craftwork.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss Blauner's (1964) analysis of alienation in the workforce, specifically focusing on why he identified car manufacturing in assembly plants as particularly alienating for employees.
12. Discuss the role of informal negative sanctions in shaping children's behavior, using the example of thumb-sucking in kindergarten and its social implications.
