

Multiple Choice (10 marks)

1. The alternative form of 'network organization' means that:
 - (a) work can be subcontracted out to independent suppliers and retailers
 - (b) business transactions occur only through electronic communication
 - (c) the Japanese model is applied, through lateral networks of flexible roles
 - (d) activities are redistributed equally between men and women
2. In the nineteenth century, homosexuality was understood as:
 - (a) a positive identity in which gay people could take pride
 - (b) an absolute taboo, which meant that all homosexuals were isolated
 - (c) a subordinate form of masculinity that threatened 'compulsory heterosexuality'
 - (d) confirmation of the two-sex model
3. The capitalist world economy is what Wallerstein (1974) would call a 'world system'. This term refers to:
 - (a) a means of transporting money between different areas of a country
 - (b) an empire with a bureaucratic administration but no political centre
 - (c) an awareness of risks and dangers that affect the environment as a whole
 - (d) a unit with a division of labour that extends across ethnic and cultural groups
4. Sreberny-Mohammadi (1996) argues that national cultures can resist American cultural domination of the media by:
 - (a) domesticating its content, including more 'home-produced' programmes
 - (b) controlling the distribution of imported products by banning satellite dishes
 - (c) creating 'reverse flows' of their own programmes back to imperial societies
 - (d) all of the above
5. Walt Disney, Sony and Time Warner are examples of:
 - (a) transnational corporations
 - (b) multi-media empires
 - (c) ownership concentrated within one medium
 - (d) government-owned companies

True / False (10 marks)

Answer True or False

6. True or False: A household account book is a personal document that typically has closed access to protect financial privacy.
7. True or False: The social construction of childhood is solely based on the historical changes in parenting styles without economic influences.
8. True or False: Privatization led to a stronger emphasis on loyalty and long-term commitment over performance-based evaluations in employment.
9. True or False: In stage 3 of the health transition, acute, infectious diseases like typhus and cholera are the main causes of illness and death.
10. True or False: Dahrendorf, Rex, and Habermas examined the dynamics of power, domination, and conflict within social structures.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss how the concept of peer influence, as illustrated by the phrase "If all of your friends jumped off a bridge, I suppose you would too," relates to differential association theory in sociology.
12. Discuss how the functionalist perspective in sociology conceptualizes society as a system of interdependent and coordinated parts, and analyze its implications for social stability and change.
